## Happy New Year 2011 from JAR!

The purpose of this newsletter is to keep friends and supporters updated on the JAR events in Shanghai. We will issue this newsletter regularly in order to let you know how everything is going with JAR and our lovely pets.

New Year 2011 and Chinese New Year are so close!!! In this issue we will tell you more about JAR's achievements and our plans for the near future.

Best wishes and happiness for the year to come!!!

## TNR Program in Suzhou ...

Our Suzhou TNR Program is doing really well. We have successfully spayed/neutered approx 20 cats in the 'Golden Lough Compound' and we have more cat traps/transfer cages to provide our dedicated volunteers / residents to trap more stray cats.

This is thanks to [ACTASIA](#) and [People for Chinese Animals Group](#) for providing more resources for our group!

Adoptable Pets and Happy Owners

## JAR Pets of the Month: Mao Mao and Bao Bao

Adoptable Pets: Mao Mao (top) and Bao Bao (bottom)

Mao Mao is a sweet female dog and she is approx. 2 and half years old.

Her story is quite scary ... she was placed in a bag going to a meat shop. Luckily for her a rescuer saved her just in time!

Mao Mao is a lovely dog; however, it may be a little timid due to the incident stated above.

Potential adopters willing to adopt her will need to be patient and committed in looking after her and give all the attention she needs!

Mao Mao is vaccinated, dewormed, deflead and spayed.

Bao Bao is another female dog of approx. 7 months old. She was rescued in a work area, wandering around. Lucky for Bao Bao a rescuer

saved her and placed her in a foster home. She has been vaccinated, dewormed, deflead and spayed.

These two girls are looking for a permanent home. Can you give to any of them a warm and forever loving home for the New Year 2011?

**We have been busy with rescues during the festive season!**

## JAR and ACTAsia ...

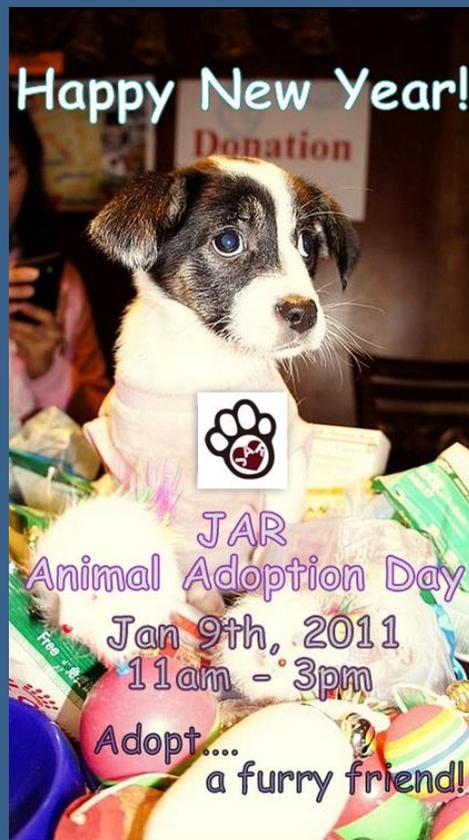

**ACTAsia** (Action, Compassion Together) for Animals is a UK charity set up by experienced animal protectionists after witnessing the huge amount of animal suffering in Asia in combination with a lack of animal advocates who can speak out for them.

We are honored to have ACTASIA fully supporting our group! JAR will be participating in future joint actions with other Chinese groups, receiving their project updates for JAR to participate in, vet training programs for next year, leaflet distributions, education about TNR, cat traps and transfer cages stock.

## JAR present in TouchMedia ...

Established in 2003, **TouchMedia** is using state-of-the-art touchscreen technology to transform advertising effectiveness for its clients, by making the experience more involving for consumers. In this context, taxis offer a unique opportunity to capture the interest of people, when they have little else to do but sit back and be entertained or informed

TouchMedia is kindly going to support JAR by placing our information (Adoption Day dates and our organization description within the 'Shanghai Living' icon). This is a wonderful opportunity for the group to gain more exposure in the community. Look out for us!!!

Venue: Papas Bierstube Restaurant, Hongmei Road  
3338, Hongmei Pedestrian Street 22-24.
